### **AFINS Advancing Families & Individuals Needing Services**

AFINS is a grass roots movement in Central Florida bringing support, education, and advocacy to families and individuals who are navigating through social agencies and their services. It is a fellowship to empower people with legislative education and action and to help connect Individuals with disabilities to the social programs available to them in the area. We take action 1) by contacting elected officials to share our concerns to help shape legislative budgets and actions, 2) by sending families important information about helpful resources, and 3) by using our experience to walk consumers and their caregivers through the applications that get them enrolled with key agencies. Our motto is No one needs to do this alone!

### **Aktion Club**

Aktion Club is a club for adults that want to make a difference in our community. We take turns managing projects and our club so we can learn how to lead as we serve others. We work together to decide what projects we want to do and how we want to do them. Helping others ends up helping us too. Best of all, we make friends who care as much as we do to create a better community. Everyone is welcome. We hope you will visit a club meeting to check out what we do. We meet on the 1<sup>st</sup> and 3<sup>rd</sup> Thursday 10 AM at the Lady Lake Community Center.
